CELEBRATING

2026 North Dakota
Water Education Foundation

**WATER
TOURS**

Celebrating 30 years of water education, the North Dakota Water Education Foundation tours offer a firsthand look at the state's most critical water issues and initiatives. These one-day tours take participants to sites across North Dakota and bring together a variety of professionals and local leaders representing different viewpoints. Along the way, participants gain insight into water supply, fish and wildlife conservation, water quality, flood protection, water conservation, irrigation, and beneficial water use. Individual registration is \$40 per person per tour and includes transportation, lunch, refreshments, informational materials, and a digital subscription to the *North Dakota Water* magazine.
